

Sweet Tooth

by Margie Palatini illustrated by Jack E. Davis

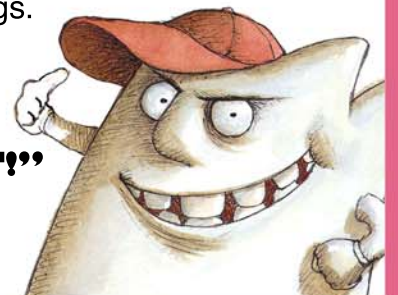

Sweet COUNTING

Stewart's Sweet Tooth can't get enough of candy, cake, cookies, pie, ice cream, and other treats. Everywhere Stewart looks, he sees sweet things.

Can you find all the *Sweets* in the picture?

Count them up and see if you're correct!

“Aah -ah -ah SWEET!”

It's half of one hundred, or
equal to five dimes, or it's the
number stars on the American flag.
Do you have the right answer?

Answer:
